

# Ksenia Gavrilova

Head of Concept Development & Urban Strategy · Valencia, Spain

xenios.urban@gmail.com +34 600 095 111 <https://www.linkedin.com/in/ksenia-gavrilova-art/>

---

## SUMMARY

Head of Concept Development & Urban Strategy with 10+ years' experience delivering complex urban and development projects across Eastern Europe and Asia. Specialises in developing financially sound concepts for complex, multi-stakeholder sites and guiding projects from concept through design, approvals, and construction. Combines a background in construction, economics and PR to balance human-centred public spaces and mixed-use districts with realistic budgets (up to ~\$19M) and large territories (up to ~6.4 km<sup>2</sup>).

---

## EXPERIENCE

### Head of Concept Development & Urban Strategy / Urban Projects Lead

XENIOS · May 2021 – Present · Eastern Europe & Asia

Lead concept development and urban strategy for complex city, public space, residential, and mixed-use projects.

- Act as a single coordination point between municipalities, developers, investors, and project teams.
- Transform initial project briefs into clear, structured concepts with defined budgets, phasing, and implementation plans.
- Prepare feasibility studies, valuation calculations, and preliminary financial models.
- Coordinate architects, engineers, analysts, and contractors through design, approvals, and construction.
- Led budgeting and economic coordination for large public space systems and city-wide programmes (up to ~\$19M).
- Worked on international projects across Russia, Georgia, and India.

### Head of Project Management Office – City Anniversary Programme (Perm-300)

XENIOS · May 2022 – October 2023 · Russia

Managed a federal-level city anniversary programme, coordinating planners, designers, analysts, contractors, and officials.

- Served as the main interface between ministries, city departments, and project teams.
- Controlled budgeting and expenditure for a ~\$19M city-wide programme.
- Developed scopes of work, technical specifications, and evaluated contractor proposals.
- Led the Design & Brand Department to ensure consistency across projects.

### Head of Investment Projects

ALTERCASA · December 2019 – May 2021 · Moscow, Russia

Led high-end real estate investment projects from concept to commissioning.

- Managed a team of 12 and multiple parallel projects (\$6–7M per project).
- Prepared valuation calculations, budgets, and business cases.
- Supervised architectural and interior design to align with investment objectives.
- Delivered 4 facilities into operation within 1.5 years.

## Head of Tender Department

INVITRO / ARCHMEDSTROY · October 2017 – August 2019 · Moscow, Russia

Managed the full tender lifecycle for construction and fit-out projects.

- Led a team of 6 and negotiated contracts with public and commercial clients.
  - Won 20 tenders, attracted 12 major customers, and supported delivery of 45+ projects.
  - Oversaw procurement, contract execution, and payment control.
-
